TALYA MULLER

Digital Marketing & Content Lead

With 12+ years of experience in B2B marketing and over 5 years as a freelance consultant, I work with brands to lead their digital marketing, content, and related projects, combining strategy with hands-on execution.

WORK EXPERIENCE

Digital Marketing & Content Lead (Freelance)

Black Lime Digital (Self-employed) | January 2021 – Present

Plan and execute digital marketing strategies, manage social media and content, and oversee digital projects including website updates and branding initiatives.

- Work with businesses and individuals on a freelance or project basis
- Plan and lead digital marketing and content across social media and online platforms
- Manage day-to-day social media, content creation, and posting schedules
- Develop practical digital marketing strategies aligned with business goals
- Oversee content projects from idea to delivery
- Coordinate and brief designers, developers, and other creatives when needed
- Manage website content updates, product uploads, and basic site maintenance (non-technical)
- Support branding projects and rollouts by keeping timelines and deliverables on track
- Ensure consistent brand messaging across all digital channels
- Focus on results that make sense for the client's audience, goals, and budget
